

PAN Home Page Enhancements

The PAN Home Page now includes a panel view of menu items.

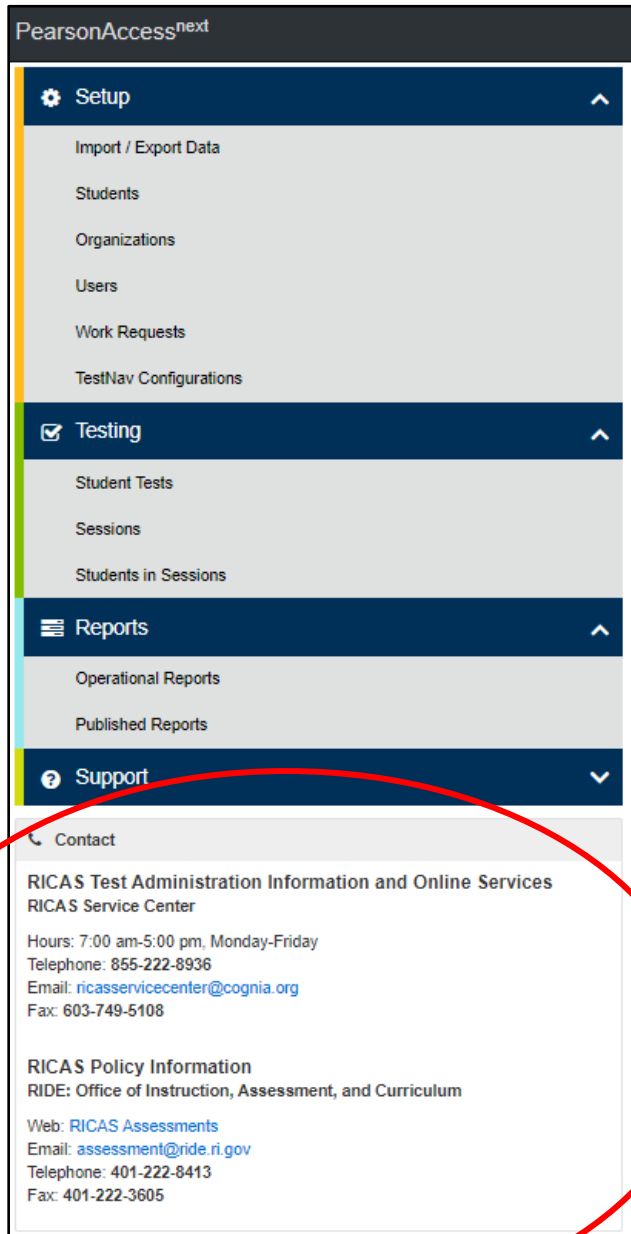

The menu items available have not changed and are based on PAN user account permissions.

Menu options can be expanded or collapsed as needed.

Contact information, previously available on the bottom right-hand corner of the Home Page, has been moved to the bottom of the panel menu

The image shows a vertical panel menu for PearsonAccess^{next}. The menu is divided into four main sections: Setup, Testing, Reports, and Support. Each section has a dark blue header with an icon and an arrow. Below each header is a list of sub-items. At the bottom of the menu, there is a 'Contact' section with a telephone icon, which is circled in red. This section contains contact information for the RICAS Test Administration Information and Online Services Service Center and the RICAS Policy Information.
